## Fire Risk Assessment - Traders and Market Stalls

Name of Unit / Stall

Contact No. on site

Location on site

**In order to comply with relevant fire safety legislation you MUST complete a Fire Risk Assessment of your stall or unit.**

**The Risk Assessment needs to identify the fire hazards and persons at risk, you must endeavour to remove or reduce these risks and protect people from fire. Failure to comply with this requirement will result in you being removed from the site. You must be able to answer YES to the following questions.**

**This signed and completed form must be maintained available for inspection by the Fire & Rescue Service / Event Organiser / Council Officers at all times.**

You must undertake a Fire Risk Assessment for your unit, which must be suitable for the circumstances. You do not need to use this form, and may use another method if you wish, however, this form is considered to be suitable for most standard market stalls and units
